CURRICULUM

Education in the early years is vitally important for the children to acquire basic skills. It is important that foundations are laid on which future learning can take place. If children are well motivated, enthusiastic, interested and happy then they learn more effectively. We aim to develop these skills in a creative, imaginative and original way. The children need to learn in an atmosphere where they are not afraid to make mistakes and this in turn becomes an important part of the learning process. Each child will be

encouraged to reach their highest potential and motivated to want to continue learning.
